Guest Speaker: Darylene Dennon

Darylene Dennon is the Chief Executive Officer and Owner of Solid Energy, Inc. in Seattle. A trailblazer with vast positions under her belt, she promotes professionalism in her trade and in the construction industry in general. 2019 saw her named the National Association of Home Builders (NAHB) Professional Women in Building Council Chair to add to her many other accomplishments. She is a presenter, author and speaker on topics concerning the building industry, leadership, business development and sales.
